EXCEPTIONAL RALLIES

“ It is never a question of speed, but
always the art of living and a passion
for vintage cars. ”

Cyril Codron - L'Impérial Classic

An authentic experience **in the most beautiful corners of the world**

These rallies, with outstanding destinations at their heart, combine splendour, refinement, French elegance and the pleasure of driving. These key words are matched with the quality and originality of the hospitality on offer.

Clearly a premium offering, l'Imperial Classic is today one of the major players in the special world of vintage car rallies. It combines receptions and private visits, dramatic spectacles in unique sites, and "tailor made" organisation, all in magnificent countries with enormous cultural richness and undiscovered tourism.

HIGH PRECISION AND RED CARPET TREATMENT

L'Imperial Classic's founding principles are a guarantee of success and a trademark: unique routes, precise planning, "haute couture" accompaniment, all resulting in tours which offer each team the dream and the pleasure of the drive.

MADE » THE BEATEN TRACK

The objective is simple: to offer the most beautiful vintage car rallies in exceptional conditions, bringing together the pleasure of driving and the discovery of far-flung horizons.

To ensure our hospitality is always top of the range, we deliberately limit the number of teams per rally to around twenty.

Each voyage is an adventure, while cultivating the art of living, elegance and culture. Luxury is a given, but not ostentatious. More than just a simple tour, the rallies offer an exotic change of scenery with every manifestation of prestige. A benchmark for luxury, and the epitome of mythical cars.
